VEHICLE REGISTRATION RENEWAL MAIL-IN APPLICATION

This application is to be used for mail-in registration renewals only when there are no changes to your vehicle registration. If there are any changes required to your registration you cannot use the mail-in renewal option. It is recommended that you should only use the mail-in renewal option if your registration expires in 30 days or more to allow time for mailing. If your registration will expire in less than 30 days, we recommend that you renew your registration in person at an AMA Centre to ensure you will have your new documents before expiry.
